LB 510, 486

PRESIDENT: Discussion. All in favor say aye, contrary say nay. The bill is advanced.

CLERK: Mr. President, LB 486. There are E & R amendments which have been adopted. Senator Koch, then, has some extensive amendments which were inserted in the Journal on page 1143.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, members of the body, I have a substitute amendment which was offered, I think, Friday, Mr. Clerk, and I will withdraw the original amendment if we would adopt the substitute amendment found on page 1416 of the Journal.

PRESIDENT: You are withdrawing an amendment.

SENATOR KOCH: The original amendment that I offered earlier.

PRESIDENT: All right. Is there an objection?

SENATOR KOCH: And I would like to speak to the substitute amendment on 1416.

PRESIDENT: Would you read the new amendment, Mr. Clerk.

CLERK: The other one was withdrawn, is that right?

PRESIDENT: The original one was withdrawn.

CLERK: Then he offers a new amendment on page 1416 of the Legislative Journal. Read.

SENATOR KOCH: Mr. President, members of the body, there were a number of proprietary schools that met in regard to the original amendment. The original amendment was primarily to help relieve those proprietary schools that may have a considerable number of educational proprietary schools in the State of Nebraska, and I will be very specific, in this case, it was brought to my attention that such an institution was H & R Block. They may have as many as twelve to fifteen of these schools throughout the state. They are in agreement with the proposed amendment that I am offering you this afternoon because they do offer a vocational education and this amendment will meet their request and it has been agreed to by the Department of Education, Division IV, which is a vocational division that oversees the approval of proprietary schools in the State of Nebraska. I ask for the adoption of this amendment.

PRESIDENT: The question is the adoption of Senator Koch's amendment to LB 486. Record your vote. Have you all voted? Record.

CLERK: 25 ayes, 0 nays on the motion to adopt.

PRESIDENT: It is adopted. Anything further, Mr. Clerk?

CLERK: No further amendments.

PRESIDENT: Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature,
